

Focus on your own program
while allowing us to handle
the facility details

Bingle Camp offers meeting, lodging, and dining space for up to 75 guests. Our facility sits atop a rise overlooking Harding Lake, with amazing views of spectacular sunsets and the lake! The lodge, chapel, six dormitory style cabins, arts and crafts cabin, and two bathhouse facilities with showers and flush toilets are all in close proximity to the best beach area on Harding Lake! True Alaska charm at this rustic camp is like no other. A few choice activities include fun on the waterfront, arts and crafts, hiking, and some low rope team building activities. Bingle Camp's recreational possibilities are refreshing!
